Summer **20**

Greetings!

This spring, I was a part of Love Life Charlotte's 1,000+ Women for Life Prayer Walk. It was a wonderful day to be a part of something that has the stamp of Kingdom purposes and Eternity on it.

Many people may ask why would I spend my Saturday morning at an abortion clinic participating in this Prayer Walk. I would like to share with you a few thoughts from Chris Tiegreen, an author that expresses the "why?".

"Greater Grace"

God told David that one of his sons would one day build the temple. In retrospect, we know that son to be Solomon. But the promise was long before Solomon was born. In fact, it was given long before David and Bathsheba, Solomon's mother met. In other words, God had already planned for David's sin and restoration before David ever committed it.

Think about that. From a human perspective, Solomon should never have been born. He was the product of a union that began in adultery and became permanent after an **unplanned pregnancy** and an arranged death. When God foresaw Solomon building the temple, he looked past David's sin and repentance—and had already planned its redemption. He wove David's worst sin into his greatest plan.

I go to the sidewalk at Latrobe in Charlotte, NC, and send our Mobile Ultrasound Unit out 6 days a week to let people know that God has a plan for their babies life and for their own. [Jeremiah 29:11] But most of all that God loves women and through forgiveness of a Savior what they may feel is their worst sin can become God's greatest plan.

Trusting in His Goodness,

Founder/Executive Director

Golf for Life Spring Classic

On Friday, June 1st, we held our 5th Golf for Life Tournament Fundraiser at Stonebridge Golf Club. 70 golf players came out to support the Center and made up the 18 teams on the green that day. We had a great time of fun and fellowship, and promoting our new Men's Ministry department with Brad Austin.

Please make plans to join us next spring for our 6th Annual Tournament!

Mobile Ministry

MEET ONE OF OUR MOBILE ULTRASOUND UNIT DRIVERS, PASTOR BUDDY CUTSHAW

Buddy Cutshaw, Pastor of Macedonia Baptist Church, and volunteer Unit Driver for our Center

How long have you been volunteering your time to drive the Mobile Ultrasound Unit for our Center?

2 awesome months!

Can you share one memorable moment from your experience as a volunteer HPC driver?

Recently 2 ladies came aboard the Mobile Ultrasound Unit and one was contemplating abortion and saying she didn't believe in God! However, in just a short time with Jennifer and Vicky, she not only chose life for her child, but also accepted Christ! Praise the Lord!

What would you say to other men who are considering volunteering in this manner?

I would say that it is such a tremendous blessing and an honor in knowing that because of the effort in driving the Mobile Ultrasound Unit that you have a direct impact on saving and changing lives for eternity! Sometimes it's even hard to sleep at night due to the anticipation and excitement of driving the Unit the next morning!

[Also make sure when getting off of 74 and on to Wendover to stay in the middle lane because the right lane is a turning lane! And you definitely do not want to make that turn and then try turning a 35 foot RV Unit around. Done it. Not fun!! :)]

Speaking at Our 2018 Banquet for Life: Newly Elected Congressman Mark Harris

Mark Harris is the former Pastor of First Baptist Church in Charlotte. He is a native of Winston Salem and a graduate of Appalachian State University. God then called him into the ministry and he went to seminary at Southeastern Baptist Theological Seminary in Wake Forest, NC

In 2011, he was elected president of the Baptist State Convention. Mark entered the public arena by leading the charge for the marriage amendment in 2012 defining marriage between a man and a woman. That vote passed in NC with over 60% of the vote. He was also on the front lines opposing the City of Charlotte's transgender bathroom ordinance. He recently won the primary election, making him the Republican candidate for the 9th District Congressional seat that includes Union County.

We are proud to welcome him as our guest speaker for our Banquet fundraiser this year! Be sure to join us to learn more about how we can all continue to make a positive change in our community, and to end abortion in Charlotte once and for all.

Mark has been married for 30 years to Beth. They are blessed to have a daughter Laura, and two sons, John and Matthew, their spouses Jordan, Kerry Anne, and Mallory, and five grandchildren with a sixth on the way.

If you've never experienced the Banquet for Life, we encourage you to attend this year's event! All that you need to do to attend is give us a call to register at 704.289.5133, or go on our website at <http://monroehelp.com/en/banquet-for-life/> and click on "Guest". And then look for your invitation in the mail!
