HOW DOES IT WORK?

EASY & EFFECTIVE!

Step 1:

PICK UP your Campaign in a Bag or Call for Delivery

Two to three weeks before presentation Sunday pick up your churches campaign bag from our center or we can arrange to drop them off to you

Step 2:

<u>Publicize</u> the event, make first presentation in service or to organization, class and distribute bottles

If applicable, use your churches webpage or other media outlets to create local awareness and excitement for how your church can get involved with local missions by supporting our ministry

We can provide you with a video to share with your congregation about the campaign if needed or we can send a ministry partner for a presentation.

Step 3:

Remind the congregation each week during the campaign

Each Sunday during the campaign, remind the congregation that you will be collecting cash, checks and change on your presentation Sunday to support the center.

Step 4:

Gather bottles on Celebration Sunday

This is the final day of your campaign and the end date that you gave the congregation (about 4 weeks after the campaign was presented)

Everyone should return their filled bottles this day and be collected during the service

Step 5:

Return Campa<mark>ig</mark>n in a Bag sets along with cash, ch<mark>ec</mark>ks and change.

Drop off filled and unused bottles back to the center

We will tally up the final results and notify you of your contribution.
