

Baby Bottle Boomerang

Anytime of year
is the right time
to change a life.

Your Gifts Help Us Provide:

- Free pregnancy tests and ultrasounds
- Confidential peer counseling
- Educational classes
- Bible Studies
- Baby Showers
- Clothing, diapers, and formula

For over 31 years, Help Pregnancy Center has provided life-affirming resources for women and men facing the challenges of pregnancy, whether planned or unplanned. Our mission is to provide support to families before, during, and after pregnancy. Our approach is to equip our clients with spiritual, physical, and emotional assistance.

What is the Baby Bottle Boomerang?

The Baby Bottle Boomerang campaign is a simple way for your church, youth group, women's ministry, Sunday School class, VBS, company, civic organization, homeschool group, or any other LIFE minded group to make a difference in a big way. Simply pick up your baby bottles, fill them with change, cash or checks and return them to us. When you partner with us, you help others choose life!

How does it work?

1 Get Your Campaign Set Up

Choose a date that you will start your campaign and then choose an end date (usually around 4 weeks later). Give us a call and let us know how many bottles you would like and when you can pick them up.

2 Have a Kick-Off Service or Event

Plan a kick-off service or event. At this event you will introduce our center and the campaign. You can have a station set up for individuals or families to pick up the bottles and fill with change, cash, or checks. If you would like, you can schedule one of our ministry partners to come and present our ministry that same day or we can send you a video to share with your group explaining our ministry. Make sure you publicize the event in your print and digital media beforehand (feel free to tag us on social media!).

3 Finalize Your Campaign and Return the Bottles

Each week during your campaign remind your participants to keep filling those bottles and then have them return them on the final day of your campaign. Once you have all the bottles returned, drop them off at our center. We will tally up your donation and notify you of your contribution.

And that's it!
